Dear Sir: This Post office is a vital link to this
Community and its Senior Citizens, Seniors depend on
mail for their prescriptions, As I do. Our people mail
our packages, D.V.D.'s ETC. our organization alone mail
D.V.D.'s all over the Country, and to travel 50 miles round
trip is a slap in the face to our Council, To Have to travel
in the Winter to mail a package or get a money order or
registered letters This is a proud Community we love our
Post office, and hope you all will Reconsider. Thank,

P.S. Many People here do not own a Computer

Dear Sir:

I am requesting a Waiver to the requirement that this document to be electronically filed as I do not have a Computer, I am an elderly man 76 yrs old living alone because my wife is in a nursing home and myself. I recently had Eye surgery, and limited driving for much of any distant, I get my medicine by mail, sometimes its refrigerated which is a day to receive at my home. Hacker Valley has many people of my or near my age with medical problems as most receive prescriptions thru the mail

Sir: I am please reconsider reopening our Post office, this is a devastating blow to our Community, and its Senior Citizens. I pray that you will reconsider and reopen our Post office to a better Building, it's such a beautiful area to lose one of our main functions.

Please:

Thank you,
Kermit Harper
